-PARENT NOTE-

Dear Parent/Caregiver,

KEEPING YOU INFORMED
At NASHS we like to keep you informed through various written communications.

Parent notes are published as needed and forwarded home to parents via students. Students are asked to ensure that they give the parent note to you on the day they receive it.

The school newsletter is produced twice per Term and a link to the Newsletter on our webpage is emailed to each family. Our newsletters provide an opportunity to celebrate student achievements and to keep you informed about school activities. The link to our first newsletter for 2014 will be emailed to you beginning of March. Alternatively you can go to our school web site directly.

On occasions we will also mail information direct to parents, for example – student reports, advice about parent evenings etc. It is important that we have your correct address and email address. So if you change your address or email please notify the front office.

P&C ANNUAL GENERAL MEETING
The Annual General meeting of the combined North Albany SHS and Albany Secondary Education Support Centre P&C Association will be held this Wednesday evening 19 February commencing at 7.00pm in the NASHS conference room (entrance is via the front door of the school).
