

NASHS LIBRARY AFTER HOURS CONTRACT FOR ALL STUDENTS

Dear Parent/Caregiver

To support students with their academic studies, this year the NASHS Library will be open to students from 3.15 to 4.00pm each day from Monday to Thursday. Library staff will be available to assist with access to resources for assignments. Teaching staff from learning areas are also available to provide support. We are also planning to offer specific programs for senior school students.

If you agree to your child doing study or research or homework in the library after school, please sign and have your child return this form to the Library.

Students will be required to sign in when they arrive and sign out when they leave. Transport arrangements to home are the responsibility of the parent. Please also be advised that while we will keep a register of students who attend, staff will not be phoning parents to advise if their child is/is not in the Library after school. Students are required to take on this responsibility by informing their parents they will be in the school library that day after school.

Yours sincerely

Barbara McNeill
