

GOOD STANDING POLICY

Good Standing refers to the status of students with regard to their general approach and attitude to school. Students with Good Standing are those who demonstrate NASHS' school values:

- Be Kind

- Be Responsible
- Be Safe

It recognises students who are engaged and positive in their attitude both academically and socially.

A student has Good Standing when: the student

Violence will not be tolerated and will be treated with the necessary, reasonable and proportionate response.

Loss of Good Standing is determined by the School Executive Team (Principal or Deputy Principal).
