

NORTH ALBANY SENIOR HIGH SCHOOL SCHOOL UNIFORM POLICY

All students at North Albany Senior High School are required to wear the school uniform.

Our School uniform enhances the public image of our school and has a positive impact on school tone and student self esteem.

Other advantages of a school uniform:

- *Builds positive school identity and spirit*
- *Highlights our school in the community*
- *Allows for easy identification of campus visitors*
- *Cheaper than brand-name clothing*
- *Promotes equality*
- *Encourages a more focused approach to learning*
- *Looks fantastic!*

Appropriate Dress

Students are expected to dress in a neat and clean uniform. One of the many outcomes of education is the preparation of students for the workplace.

Most workplaces have dress requirements and safety codes. The school is each student's workplace and attention to neat, clean and appropriate dress is expected at all times. This means that attention to modesty must be part of the decision-making related to items of clothing and accessories that are worn to school.

What happens when a student is out of uniform?

- Students are noted by their period 1 teacher as being out of uniform and a text is sent home to parents.
- Students will be cautioned and counselled by staff.
- Students may be sent to the Deputy Principal to change if they are consistently out of School Uniform or if what they are wearing is unacceptable. They will be required to change into something more appropriate.
- Parents will be notified if a student is consistently out of uniform.
- Students who are frequently out of School Uniform may be denied the right to attend non-compulsory excursions and school activities eg: reward activities.

Other Information

Head Gear:

Headwear should not be worn in classrooms (unless approved by the Principal)

Footwear:

For safety reasons low heeled closed in shoes should be worn at all times. Ugg boots are not an acceptable footwear. Open toe footwear including sandals and thongs are not permitted as it is unsafe. Science labs, workshops or practical areas require closed in footwear.
